-----

**IRRIGATION & CAD (PW-REFORMS) DEPARTMENT**

**G.O.MS No. 54**

Dated:19.08.2011  
Read the following:-

1. From Chief Engineer, Minor Irrigation, Hyderabad.Lr.No.DCE(MI)/ OT3-T4 /RBO/10, Dt:18.12.2010.
2. Govt Memo. No. 2130/Reforms- A2/ 2011, Dt:19.02.2011.
3. From the Chief Engineer, Minor Irrigation, Lr.No. DCE/(MI/ OT3-T4 /RBO / 10, Dt:19.07.2010).

**ORDER :**

In the letter 1<sup>st</sup> and 3<sup>rd</sup> read above the Chief Engineer, Minor Irrigation, Hyderabad, has stated that the firm M/s. Radical Bio-Organics Limited is going to set up a 60 KLPD END Distillery Company for which 15.47 Mcft per annum (or) 1200 KL/day of water is required from River Kagna. The Superintending Engineer has reported that the total quantum of water available at the point of supply is 9456.99 Mcft and it has been certified that there is a balance yield of 3578.91 Mcft available at site. The requirement for the present proposals is 15.47 Mcft per annum and supply of water required by the company will not affect URR's and LRR's, and recommended the proposal to supply quantum of 15.47 Mcft per annum (or) 1200 KL/day of water.

2. It is further stated by the Chief Engineer, Minor Irrigation that the water availability at the proposed site has been calculated with latest rainfall data from 1970 to 2009 i.e 40 years and duly considering the affect of URR's. it has also been reported that the catchment area of the proposed site is covered in Sub groups I and II of K-6 Kagna Sub basin. The Chief Engineer, Minor Irrigation has informed that the proposed water requirement by the distillery will be given through infiltration well and there will be no impact on drinking water sources as the proposed infiltration well is situated beyond 3.00 Km (u/s) from the Tandur & Kodangal water supply schemes.

3. In the circumstances reported by the Chief Engineer, Minor Irrigation, Government after careful examination of the proposal hereby accord permission to draw 1200 KL of water per day under consumptive use from river Kagna by M/s. Radical Bio-Organics Ltd., Jakkepally (V), Yalal (M) Ranga Reddy District, subject to payment of royalty charges, terms and conditions as stipulated by the Government from time to time. The agency will take the approval of the location of infiltration well from the Superintending Engineer, Irrigation Circle / Chief Engineer, Minor Irrigation, Hyderabad.

[PTO]

4. The Chief Engineer, Minor Irrigation, Hyderabad, shall take necessary further action accordingly in the matter.
